Editorial:

After a delay of several months while passing through the pangs of a transition period, BRYANETTE is once again off the press and on its way to you. Much has happened since the last issue was published.

The annual alumni banquet seemed more than ever like a family reunion with a traditional "Bryan-cooked" meal in the University dining hall. Dean Rytcher was the able master of ceremonies and Dr. William F. Kerr '39, the challenging speaker.

At the annual business meeting, in addition to welcoming the thirty-nine 1950 graduates into the membership of the Alumni Association, the main item for discussion was the proposed constitution. Subsequent balloting returns indicate an almost unanimous acceptance of the constitution.

The BRYANETTE Committee wants to make the BRYANETTE what you want it to be, so keep the news rolling in to us, and we will keep it rolling out to you.

WINONA LAKE BRYAN BANQUET
GREAT SUCCESS

A good time of fellowship was enjoyed, with Rev. Robert Culver of Grace Theological Seminary as the speaker for the evening.

Immediately following the banquet, an announcement was made concerning the lack of funds to take care of the purchase of the 1949-50 alumni project—shrubbery for around the Memorial Chapel—and twenty-six dollars were given to the treasurer that night to be applied toward the project.

After the time of fellowship at the banquet, the Executive Committee of the Bryan University Alumni Association met at the home of Mr. F.B. Miller for a business meeting for the purpose of putting the new constitution into action. Prior to the meeting, the President of the Association, John Harper '44, appointed as the two members at large provided for in Article IV, Section 1, of the constitution, Kenneth Marken '47 and Beatrice Batson '48. Since the constitution was not yet in effect at the time of the annual election in June, the office of Chairman of the Committee on Elections was unfilled, and the Executive Committee elected Jesse Hummer '43 to fill this vacancy. Other business taken care of at this meeting was the election of Grace Levengood '42 as Executive Secretary, and the appointment by the President of the
